

St Faiths New Song List

If you have not introduced a new song into the current music system please read the St Faiths Copyright Policies and Procedures Manual available on the St Faiths website www.stfaiths.org.au and follow the links media/copyright

To collect the correct Song Information go to www.ccli.com.au and follow the links customers/song search

Master copy stickers can be found in the front of the master copy folder, note down the song number on the master copy stickers required for the number of formats used (eg. Words, chords and piano is 3 master copy stickers).

On this spreadsheet document the CCLI number, Author, copyright details and the name and Publisher of the source of each format of the sheet music, eg: *name: Integrity's worship resource CD pub: Integrity media Inc.*

This is an example of how to document on the 'St Faiths New song List'.

Copyright information				Format of music including Book/source name and # and publisher for each format				
song title	Song #	Author	Copyright details	Key	melody/lead sheet	Words	Chords	full piano score
eg. Above all	2672885	Lenny Leblanc	©1999 Integrity's Hosanna! Music	A	name: CCLI song select pub: N/A	name: www.worshiptog ether.com pub: Worship together Inc	name: iworship CD pub: integrity music	name: iworship CD pub: integrity music

Attach the master copy stickers to the original photocopy and place in alphabetical order in master copy folder. Then make the photocopies that you require and follow the procedures associated with doing so.
